Nordic Game Career Expo and Recruitment Program

This year's fourth annual Career Expo offers opportunities to exhibit in an enlarged exposition area, participate in a special recruitment and education program, as well as meet with academics and professionals from the Nordic countries and abroad at the region's largest games industry recruitment event.

Nordic Game 2008

Developers, Educational Institutions and HR Professionals Welcome!

Two alternatives are available for participation in this year's event: as an **Exhibitor**, which includes a booth in the expo area, or as a **Recruiter**, which features participation in the recruitment and education program.

Exhibitors: An Exhibitor display area of six square meters at the Career Expo includes carpeting, back and side walls, a showreel presentation and participation in the recruitment and education program. An Exhibitor pass also includes full access to all Nordic Game conference programs and events on 19-20 May. Moreover, up to three additional conference passes per exhibitor are available for only €259 per person. *A Career Expo Exhibitor package costs €1750. Additional space: €175/m².*

Recruiters: Participation as a Recruiter includes brand exposure and access to meeting areas in the Career Expo, a short presentation in the recruitment program, as well as full access to all other Nordic Game conference programs and events 19-20 May. *A Career Expo Recruiter package costs €775.*

Career Expo Exhibitor Registration & Deadline

The deadline for Career Expo exhibitor registration to Nordic Game is Friday 27 March 2009. For more information and to register, please contact Heidi Nilsson at heidi@nordicgame.com or Emma Mellander at emma@nordicgame.com.

Nordic Game is organised by the Nordic Game Program, which is a part the Nordic cultural cooperation and funded by the Nordic Council of Ministers. The Nordic Game Program supports the Nordic games industry at events around the globe, as well as with information and infrastructure activities. The Nordic Game Program also provides direct development funding to Nordic game projects during 2009.
